

# PROPHECY

## **Syllabus - SECOND SEMESTER 2024**

- **Course Description**

In the eventful and turbulent times in which we live, many people are concerned about the present world condition and the secrets of the future. Those who see the world polarized between the forces of good and evil want to know what will happen next in the great battle between light and darkness. We thank God that He has not left mankind ignorant about the course of the conflict and its outcome.

Like a great searchlight shining across the centuries, the sure word of prophecy focuses its beams upon our day. In this light, we see clearly the trend of events and may understand what is coming next in the program of history fulfilling prophecy.

We have also a more sure word of prophecy;  
whereunto ye do well that ye take heed,  
as unto a light that shineth in a dark place,  
until the day dawn, and the day star arise in your hearts.
